Wikwemikong Unceded Indian Reserve administration building, located at 19 A Complex Drive in Wikwemikong Unceded Indian Reserve, Ontario, Canada. The minimum PPE requirements for this site meeting are: • Safety glasses • Safety boots • High-visibility safety vest • Hard hat

Project Description

Procurement Type: Request for Proposal

Classification Type: Civil: Sewers/Watermains

Scope of Work:

The Wikwemikong Unceded Indian Reserve – Wikwemikong Unceded Indian Reserve Right-of-Way Construction Project includes infrastructure improvements for the existing right-of-way between Sesame Street and Kaboni Road. The project includes new ditches, grading, and fire hydrants, as well as a new gravity sewer main and watermain with additional capacity to support future buildings downstream from the project's proposed Long Term Home.

Comments:

Proponents are advised that all inquiries regarding the interpretation of the plans or specifications shall be directed to Chris Cornell, P.Eng., telephone: (705) 618-7322 / email: chris.cornell@exp.com, reference the Project number in the subject line.

Deadline for questions is 4:00pm, July 23rd, 2024
